

**SDPS
INTERNATIONAL
SCHOOL**
Global Outlook, Indian Values

Best Emerging School of Indore 2024

vision

To create a place where robust, vibrant and holistic quality education is provided that not only fosters excellence in every sphere of child development but also prepares every child for future endeavors.

mission

Commitment towards providing a holistic quality education to promote intellectual, social, emotional, physical, cultural and spiritual development of all its students.

Commitment towards working sincerely to evolve a learning process and an environment that empowers the present and upcoming generations with skills to emerge as global leaders in a society with ever changing goals and aspirations.

Commitment towards providing a stress free learning and teaching environment that develops competent, confident, contributive and enterprising students who will support and promote secularism, communal harmony and peace in society.

Keeping the glory and success in mind, we are happy to create a place in form of this school for the community we serve and live in.

What we do that others don't do !

SDPS Stars : SDPS International School aims at making each student **'Life Ready'** and **'SDPS Stars'** is one of the ways to make it possible. With SDPS Stars, students learn the importance of consistency, regularity, hardwork, innovation, problem solving, teamwork and communication. These attributes can contribute for a successful and confident future in a student's life. Students are judged on various set of activities based on above parameters. Each student is judged fairly and at the end of the year, the winners from each class (Nursery to X) are awarded with exclusive gifts. Also, the winners get a direct chance to be elected in SDPS Council in new session based on combination of performance in SDPS Stars and Academics.

'Top SDPS Stars' : (till the month of September) Classes **'Nursery to X'** had their **'SDPS Stars Day Out'** at **'McDonald's'**. The enthusiasm to win the SDPS Stars title for this session was worth watching. Final Winners were declared on Annual Prize Giving and were gifted with exciting prizes including Saregama Carvaan (3000 Preloaded Songs), Echo Pop 2023 Release, Saregama Carvaan Mini Kids, Boat Wave Call Watches, Fire Bolt Ninja 3 Plus Watches.

What we do that others don't do !

SDPS International School promotes '**Experiential Learning**' in day to day life of a student for their '**Holistic Development.**' Recently as a part of experiential learning our 6th to 10th Grade students visited '**The Golf Lounge**' to get firsthand experience of this club and ball sport.

SDPS International School believes in enhancing '**Student Experience**' each day. With this aim, SDPS International School students on the start of their new academic session were welcomed with a unique, one of a kind '**3 Day Orientation Program**'. Students learnt from the various fraternity experts, nuances of expressions through '**Drama & Histrionics**' to '**Art of Story Telling**' Sessions. '**Creativity**' through '**Art Sessions**' and '**Pottery Making Workshop**' and learnt '**believing in and creating some magic**' by the '**Magician**' to replenishing themselves through '**Pool Party**'.
